Each year the booster club publishes a student/family directory. This directory is distributed only to the orchestra members and administration and is not given out to anyone else. Please indicate below if you would like your family/student information included and if there are any items you would like to have omitted from the directory. Only those students returning this form and checking yes will be included in the directory and receive a directory.

The booster club will also be publishing a newsletter. We like to celebrate accomplishments of our students. We need your permission to include your child's information in the publication and also on the fmhsorchestra.com website. We also compile an email update list so that any changes in times or dates of events can be sent to you via email.

Please indicate your participation in these various things by checking the appropriate boxes below. Boxes not checked will indicate that you desire not to have your child included in that area.

Of course, your booster club membership makes it possible for the organization to provide the much needed financial support to the orchestra. We print programs, hold socials, provide newsletters, etc. Please consider joining the organization and give your support.

If you do not wish to have your information listed in the orchestra directory, please check and sign below:

Please include me in the email list so that I may receive orchestra updates.

Volunteer Information

The FMHS orchestra needs volunteers! Over the years the orchestra has run on very little manpower but as the program grows, so does its need for parental support. If each of us commit to a small portion we can break it down into bite-sized pieces and before we know it we will have accomplished more than we could ever have imagined. Please join the program and lend your support. Below are some areas in which assistance is needed.
